CALLED VALUE HMO VAN-
TAGE 25/70%

This plan will continue to have a \$25 / \$50 Copay for doctor and specialist visits, however, any facility related expenses such as ER visits, Surgery, etc, instead of a flat Copay, the insurance will pay 70% of the facility cost and the employee will pay 30% of the facility cost.

Please be sure to complete the necessary enrollment forms. Contact Carol Porter, at X3358, if you have any questions. Forms will be available at the Benefits Fair on June 8th and 10th, and at your campus in August.

Please remember, if you do not elect coverage when you are first eligible, unless you have a qualifying event, you will have to wait until next year's open enrollment period before enrolling into their insurance plan.
