

### THE SCHOOL OF PRACTICAL NURSING

The School of Nursing started back in the 1950's as the "Dixie School of Nursing" and has a long, rich history of producing highly qualified, professional practical nurses. The School articulates with Thomas Nelson Community College, Tidewater Community College and Norfolk State.

### YOUTH WORKFORCE CENTER

Provides job training, support and follow-up services to out-of-school low income youth (18-21) facing multiple barriers to employment. The Workforce Investment Board and Youth Council contract with New Horizons to provide these services.

### THE CENTER for APPRENTICESHIP & ADULT TRAINING

at New Horizons Regional Education Center has for over 20 years provided quality technical training programs in an ever-changing job market. We provide more than 120 courses that train over 2,000 adults annually. The Center has been recognized by the state for its training program and many of the courses are articulated with the community college system.

#### APPRENTICESHIP TRAINING

Authorized Apprenticeship Related Instruction provider for the Virginia Community College System and close partnership with the Department of Labor.

#### ADULT AND COMMUNITY TRAINING PROGRAMS

Designed to prepare individuals for the workforce or train with skills needed to fulfill personal interests.

### STEPS TO BECOMING AN APPRENTICE

- Identify the occupation that is right for you
- Locate an Employer that will sponsor you as an apprentice
- Contact the Dept. of Labor and Industry in the area of the employer

Additional programs are designed to address individual and industry needs, e.g. Plumbing Code, Drafting & Design, and HVAC courses.

## SKILLED TRAINING

The Adult Skills Training courses offered at the Center for Apprenticeship and Adult Training are designed for individuals to systematically progress through a detailed course of study for employment into a specific occupation. For those individuals not interested in an apprenticeship, or those with prior related instruction in a trade, this avenue provides the necessary skills training in a minimum amount of time. The Center staff will assist with developing the course of study that best meets your training or personal requirements.

## YOUTH WORKFORCE CENTER (YWC)

YWC offers a comprehensive set of services to high risk youth to assist them in achieving significant educational attainment, skill development, and employment success. A youth development approach encompasses the provisions of academic and occupational training. The YWC manages an In-School Program and Out-of-School Program.

### ELIGIBILITY REQUIREMENTS

- Between ages of 14-21
- Low income as defined by current schedules
- Falls under one or more of the following categories:
  - Deficient in basic literacy skills
  - School Dropout
  - Homeless, runaway or foster child
  - Pregnant or parenting
  - Offender
  - Is an individual needing additional assistance to complete an educational program or to secure and hold employment

### SERVICES FOR IN-SCHOOL OR OUT-OF-SCHOOL PROGRAMS

- Tutoring and similar services leading to completion of a program
- Alternative education services
- Summer employment linked to academic and occupational learning
- Paid and unpaid work experience
- Occupational skills training
- Leadership development
- Support services
- Guidance and counseling
- Follow up services
- Adult mentoring

YWC is the focal point for administering Youth Programs on the Greater Peninsula. It is federally funded under the Workforce Investment Act to serve youth ages 14-21.
