

# New Horizons Governor's School - 2010 Summer Computer Camp

**Who:** For students going into 5th, 6th, 7th, and 8th grade, interested in computers and math and who exhibit a high aptitude for learning, a positive attitude, and appropriate behavior.

**What:** Summer courses that encompass fundamental exercises in HTML, BASIC, and PASCAL. HTML will include text formatting, graphic design, links, tables, and more!! For returning students, there will be BASIC language and PASCAL language, including such topics as variables, control structures, functions, & subroutines!! Governor's School students will be teaching these courses and will be supervised by a certified teacher.

**When:** Choose one of the following sessions:

**Where:** New Horizons Regional Ed. Centers  
520 Butler Farm Road, Hampton VA 23666

**Session 1** June 28 - July 1 & July 5 - July 8

**Session 2** July 12 - July 15 & July 19 - July 22

*Transportation is NOT provided*

Each session runs from 8:30 AM - 11:30 AM

**Cost:** \$155 per student

*(due to energy conservation issues, camps will not run on Fridays)*
