SECTION 1: NEW HORIZONS REGIONAL EDUCATION CENTERS HISTORY

New Horizons Regional Education Center (NHREC) is operated by the six Peninsula School Divisions to provide educational services that are most efficient to implement through a regional partnership. The school first opened in 1965 as the Virginia Peninsula Vocational Technical Education Center at the renovated Copeland Park Elementary School in Hampton, Virginia. The first high school faculty consisted of five teachers serving a student body of 85 students.

The Center began to serve adults of the community in 1966 through continuing education classes and Apprentice-related instruction. Training for disadvantaged adults was made available through federal employment, and training programs, were expanded and moved to the renovated Buckroe Skill Center in 1978. This provided a second campus in the Hampton area.

As years passed, the Center continued to expand to meet an increasing school population, as well as increased industry demands. A third campus was built at Woodside Lane in 1978. This new facility located in Newport News, was comprised of a single 78,000 square-foot CTE center specifically built to accommodate the latest in technical programs.

In 1985, Governor Robb and the General Assembly authorized \$2.5 million to construct the Butler Farm Road campus to consolidate the Copeland Park site and Buckroe Skill Center into one Hampton Campus. The new facility consisted of four buildings in a campus environment with a total of 104,000 square feet of instructional and laboratory space. At the time, the Board of Trustees changed the name from the Virginia Peninsula Vocational Technical Center to New Horizons Technical Center, which was comprised of the Woodside Lane Campus (Newport News) and the Butler Farm Campus (Hampton).

Also in 1985 The Governor's School for Science and Technology was added to the Butler Farm Campus. This program was one of four schools in the state authorized by the Virginia Board of Education and offered college-level courses to the top science students of the Virginia Peninsula.

In 1993, the Superintendents and Board of Trustees further expanded the mission of New Horizons Technical Center by incorporating a highly successful regional special education program known as the Peninsula Area Cooperative Educational Services (PACES). The special education programs were moved to the Woodside Lane campus and the name of the organization was changed to New Horizons Regional Education Center in 1994 to reflect the enhanced scope of services. These new special education programs served youth between the ages of 4 and 21 years. The service areas were divided into Newport Academy for seriously emotionally disabled youth and the Center for Autism. The programs have grown today into premier regional day treatment programs. A third campus site (Kiln Creek Elementary) and a fourth campus site (York Middle School), along with the Woodside Lane facility, make up what is now the Center for Autism.

In 2016, a new 52,000 square-foot Special Education Center was constructed to serve up to 200 students. This state-of-the-art Center provides a gym, cafeteria, therapy rooms and latest technology.

POLICY DETAIL

C. REASONABLE ACCOMMODATION REQUESTS

General

The United States Congress adopted the Americans with Disabilities Act of 1990, as amended, (the “Act”) to “provide a clear and comprehensive national mandate for the elimination of discrimination against individuals with disabilities.” Among other things, the Act is intended to prevent discrimination against qualified individuals who, with or without accommodation, can perform the essential functions of the employment position which the individual holds. This Procedure is intended to provide a process through which a qualified individual may request an accommodation in order to continue their employment notwithstanding that they may have a disability as defined in the Act or are regarded as having a disability as defined in the Act.

This Procedure will be interpreted and construed in accordance with the provisions of the Act. Further, this Procedure incorporates all definitions of the Act by reference.

Reasonable Accommodation Requests

Employees, who can perform the essential functions of their positions but need an accommodation to do so, may submit a request for reasonable accommodation using ADA Form 1 (Reasonable Accommodation Request) to the Department of Human Resources. Upon receipt of ADA Form 1, Human Resources will verify the information provided by the employee by forwarding ADA Form 2 (Reasonable Accommodation Request – Healthcare Provider Information) to the health care providers identified by the employee on ADA Form 1. The employee must also complete ADA Form 3 (Release of Information) authorizing their healthcare providers to release information and return it to Human Resources.

Within fifteen (15) working days of the receipt of all ADA Form 2's and based on the information received on those forms, the Executive Director's designee will determine if the employee has a “disability” as defined in the Act and whether the employee can perform the essential functions of their position but need an accommodation to do so. The Executive Director's designee, assisted by other appropriate division personnel, will review the request for accommodation information from the employee and their healthcare providers to determine the appropriate accommodation.

The Executive Director's designee will advise the employee in writing if the employee is qualified for accommodation and the specific accommodation to be provided. The employee will then perform their work in conjunction with the approved accommodation and the employee's performance of their work will be monitored to determine the ongoing success of the accommodation or, if needed, any possible modification.

POLICY DETAIL

D. POLICY AGAINST HARASSMENT

New Horizons is committed to maintaining a respectful workplace that includes a working environment free from unlawful sexual harassment and other types of unlawful discriminatory harassment. To reinforce this commitment, New Horizons has developed a policy against unlawful harassment and other related types of inappropriate behavior and has set up a reporting procedure for employees who have been subjected to or witnessed harassment. This policy applies to all work-related settings and activities, whether inside or outside the workplace, and includes business trips and business-related social events. New Horizons property (e.g. telephones, copy machines, facsimile machines, computers, and computer applications such as e-mail and Internet access) may not be used to engage in conduct that violates this policy. New Horizon's policy against harassment covers employees and others who having a relationship with New Horizons that enables New Horizons to exercise some control over the individual's conduct in places and activities that relate to the New Horizon's work (e.g. contractors, vendors, etc.).

1. Prohibition of Sexual Harassment

New Horizon's policy against sexual harassment prohibits sexual advances or requests for sexual favors or other physical or verbal conduct of a sexual nature, when (1) submission to such conduct is made as express or implicit condition of employment; (2) submission to or rejection of such conduct is used as a basis for employment decisions affecting the individual submitting to or rejecting such conduct; or (3) such conduct has the purpose or effect of unreasonably interfering with an employee's work performance or creating an intimidating, hostile, humiliating, or offensive working environment.

Under these definitions, direct or implied requests by a supervisor for sexual favors in exchange for actual or promised job benefits such as favorable reviews, salary increases, promotions, increased benefits, or continued employment constitutes sexual harassment.

Depending on the circumstances, the following conduct may also constitute sexual harassment: (1) unwelcome sexual advances, whether they involve physical touching or not; (2) use of sexual epithets, jokes, written or spoken references to sexual conduct, and gossip regarding one's sex life; (3) sexually oriented comment on an individual's body, comment about an individual's sexual activity, deficiencies, or prowess; (4) displaying sexually suggestive objects, pictures, cartoons; (5) unwelcome leering, whistling, touching or deliberate brushing against the body in a suggestive manner; (6) sexual gestures, suggestive or insulting comments; (7) inquiries into one's sexual experiences; or (8) discussion of one's sexual activities.

While such behavior, depending on the circumstances, may not be severe or pervasive enough to create a sexually hostile work environment, it can nonetheless make co-workers uncomfortable. Accordingly, New Horizons considers such behavior to be inappropriate and may result in disciplinary action regardless of whether it is unlawful.

It is also unlawful and expressly against New Horizons policy to retaliate against an employee for filing a complaint of sexual harassment or for cooperating with an investigation of a complaint of sexual harassment.

2. Prohibition of Other Types of Discriminatory Harassment

It is also against New Horizons policy to engage in verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color, gender, religion, sexual orientation, age, national origin, disability, or other protected category (or that of the individual's relatives, friends, or associates) that (1) has the purpose or effect of creating an intimidating, hostile, humiliating, or offensive working environment; (2) has the purpose or effect of unreasonably interfering with an individual's work performance; or (3) otherwise adversely affects an individual's employment opportunities.

Depending on the circumstances, the following conduct may constitute discriminatory harassment: (1) epithets, slurs, negative stereotyping, jokes, or threatening, intimidating, or hostile acts that relate to race, color, gender, religion, sexual orientation, age, national origin, or disability; and (2) written or graphic material that denigrates or shows hostility toward an individual or group because of race, color, gender, religion, sexual orientation, age, national origin, or disability and that is circulated in the workplace, or placed anywhere in the New Horizon's premises such as on an employee's desk or workspace or on New Horizons equipment or bulletin boards. Depending on the circumstances, such behavior may not be severe or pervasive enough to create an unlawfully hostile working environment. Nevertheless, New Horizons considers the behavior inappropriate and will take necessary disciplinary action even when the behavior is not unlawful.

It is also against New Horizons policy to retaliate against an employee for filing a complaint of discriminatory harassment or for cooperating in an investigation of a complaint of discriminatory harassment.

POLICY DETAIL

E. DISCRIMINATION AND HARASSMENT COMPLAINT RESOLUTION PROCEDURE

These procedures apply to all complaints of illegal discrimination and harassment in which the alleged perpetrator is a New Horizons Regional Education Centers (NHREC) employee, contractor, or volunteer. Complaints against NHREC employees are investigated by the Executive Director or his designee.

These procedures include general policies and procedures, which apply to all investigations and the following complaint resolution options: (1) informal resolution; or (2) formal complaint investigation. Throughout these procedures, directors, administrators, administrators and supervisors are collectively referred to as “supervisor.”

1. General Policies and Procedures

Complaints and Reports of Discrimination or Harassment: In all cases, complainants should be encouraged to put their complaints in writing within seven (7) days of the incident. Consistent with the NHREC’s legal duty to investigate, the Human Resource Compliance Officer reserves the right to investigate and resolve a complaint or report of illegal discrimination or harassment regardless of whether the complainant wishes to pursue the complaint in thirty (30) days. The Human Resource Compliance Officer also reserves their right to report allegation of criminal behavior to the appropriate law enforcement officials.

Jurisdiction: Prior to initiating an investigation, the Human Resource Compliance Officer will make an initial determination of whether the complaint falls within its purview, i.e., whether the complaint involves allegations of illegal discrimination or harassment on the basis of a protected class. If the Human Resource Compliance Officer determines that the complaint does not fall within its purview, s/he will refer the complainant as appropriate.

Choosing the Appropriate Resolution Process: Complainants will be informed of the availability of informal and formal resolution processes and will be provided with a copy of these complaint procedures. The Human Resource Compliance Officer, in consultation with the complainant, will determine in each case whether the informal or formal resolution process is appropriate, based on the particular circumstances of the complaint. Generally, conduct of a more severe and pervasive nature will require use of the formal resolution process. At any time during the complaint resolution process, the Human Resource Compliance Officer may, in his or her discretion, determine that either an informal or formal resolution process is more appropriate and may utilize that other process. In addition, if the informal process does not resolve the complaint within a reasonable amount to time, the Human Resource Compliance Officer may recommend the formal process.

Confidentiality: The Human Resource Compliance Officer will respect the privacy of the complainant, the individuals against whom the complaint is filed, and the witnesses, in a manner consistent with its legal obligation to investigate, to take and follow through with appropriate action, and to comply with any discovery or disclosure obligations required by law. The Human Resource Compliance Officer will advise all witnesses and parties to protect the confidentiality of matters pertaining to its investigation, including the fact that an investigation is being conducted.

Retaliation: The Human Resource Compliance Officer promptly will advise all witnesses, the complainant, and the respondent of NHREC's policies prohibiting retaliation against persons who in good faith file a complaint of discrimination or harassment.

Prompt Investigation and Remedial Action: In all cases, the Human Resource Compliance Officer will begin investigation promptly upon receipt of a complaint. The Human Resource Compliance Officer may prepare an investigation timeline, which may be updated as needed, and will keep parties and supervisors reasonably informed of the status of the process. Whenever possible, investigations and reports should be completed, and results communicated to the parties, within thirty (30) days of the initial complaint or as soon as possible. When deemed necessary to protect the physical safety or emotional well-being of the complainant or witnesses, to prevent disruption of the workplace, or to facilitate the investigation, the Human Resource Compliance Officer, in consultation with the Executive Director and the supervisor, may recommend immediate action, including transferring or placing an employee on administrative leave pending the outcome of the investigation.

Incident Report Form: Following resolution of a complaint, the Human Resource Compliance Officer will provide the supervisor with an Incident Report Form IRF for the supervisor to complete. The IRF will summarize the action the supervisor took to address the complaint, any resolution achieved, and any additional information. The Human Resource Compliance Officer reviews the IRF to determine whether additional corrective action is necessary, and records the information in its database.

Documentation: The Human Resource Compliance Officer will maintain appropriate documentation of all aspects of the complaint and investigation process.

Reports: At the conclusion of either the informal or formal process, the Human Resource Compliance Officer will prepare a written report summarizing relevant findings of facts, conclusions, and recommendations. The report or a summary of the report will be submitted to the Executive Director and supervisor. The Human Resource Compliance Officer also will provide the report or a summary of the report to the parties. If the report determines that the allegations of harassment or discrimination are substantiated, the report will be placed in the employee's personnel file.

Appeals: Any party who believes the Human Resource Compliance Officer's findings or fact, conclusions, or recommendations are inaccurate may file a written appeal with the Executive Director or his designee within ten (10) working days of the date the report or report summary was mailed or delivered to that party. The Human Resource Compliance Officer will submit a written response to the appeal within ten (10) working days of receipt. If the appeal is denied, a party may appeal in writing to the Executive Director or Superintendent-in-Charge within ten (10) days of the Human Resource Compliance Officer's denial of the party's initial appeal. Faculty and staff who wish to appeal specific disciplinary action should refer to the appropriate grievance procedures in the Employee Handbook. Both parties will be advised in writing of their appeal rights at the time they are presented with the final written report summary or oral report of the investigator.

2. Informal Complaint Resolution

When a complaint is received, complainant will be asked to sign a form agreeing to an informal resolution process. The Human Resource Compliance Officer will then perform an initial review of the complaint and discuss possible solutions with the complainant.

The Human Resource Compliance Officer will inform the person against whom the complaint is brought of its existence and allow that person an opportunity to respond.

The Human Resource Compliance Officer will perform initial fact finding through document review, interviews with the parties, and possibly interviews with witnesses, supervisors and co-workers. Interviews are based on the specific information the witness has to contribute to the issues involved and whether such information is original or repetitive. The Human Resource Compliance Officer reviews all documentation provided or obtained.

The Human Resource Compliance Officer may act as a facilitator to help resolve complaints, or the Human Resource Compliance Officer may request that another NREC office or staff member facilitate. Such informal resolution may include speaking with the respondent, the respondent's supervisor, or the parties together.

Informal resolution may be attained through mutual consent of the parties or through other remedial measures approved by the supervisors, including but not limited to mandatory training, a letter of apology, separation of the parties, or disciplinary action.

3. Formal Complaint Investigation

The Human Resource Compliance Officer conducts comprehensive investigations of allegations of discrimination when those complaints cannot be resolved through consultation, review, or referral. The Human Resource Compliance Officer acts solely as a neutral fact-finder. Based on its investigation, the Human Resource Compliance Officer makes determinations of policy violations. In consultation with the hiring official, the Human Resource Compliance Officer may make recommendations to address the situation. All formal complaints must be filed in writing with the Human Resource Compliance Officer within seven (7) days pursuant to the policy and procedural limitations set forth in the policy. However, the Human Resource Compliance Officer retains the discretion to alter these procedures on a case-by-case basis.

Upon receipt of a written complaint (Form III, Unlawful Discrimination Complaint Form) the Human Resource Compliance Officer will meet with the complainant within seven (7) days of notification of the complaint. The Human Resource Compliance Officer will discuss the allegations, explain the information resolution option, the formal investigation process, the principles' and limitations of confidentiality and collect preliminary data. The Human Resource Compliance Officer will also advise the complainant of his or her right to take complaints outside NHREC, to the state and federal agencies. The Human Resource Compliance Officer will advise the complainant of his or her right to have a co-worker from his or her department present during the interview. NHREC may also make temporary arrangements to separate the parties while an investigation is pending.

Based on a review of the complaint, all documentation provided and the interview with the complainant, the Human Resource Compliance Officer will determine whether the allegations and initial factual findings warrant a formal investigation. If an investigation is warranted, the Human

Resource Compliance Officer will notify the complainant and the appropriate manager that a complaint has been filed and will be investigated. If one or more of the allegations and/or initial factual findings indicate the complaint does not state a policy violation or is more appropriately addressed by a different NHREC office, the Human Resource Compliance Officer will refer that portion of the complaint to the appropriate office.

The Human Resource Compliance Officer will provide written confirmation to the complainant of the allegations to be investigated, and if applicable, which allegations the Human Resource Compliance Officer has referred to another office. The Human Resource Compliance Officer will inform the complainant of his or her responsibilities during the investigative process as outline below.

The Human Resource Compliance Officer will promptly inform the respondent of the allegations in writing, the Human Resource Compliance Officer's role in a formal investigation, and the principles and limitations of confidentiality. The Human Resource Compliance Officer will inform respondent of his or her responsibilities during the investigation process, as outline below. The Human Resource Compliance Officer will advise the respondent of his or her right to have a co-worker from his or her department present during the interview. The respondent will be asked to provide a written response to the allegations within fourteen (14) days of receiving notice of the complaint.

The Human Resource Compliance Officer will interview the complainant, the respondent and others with relevant information. The Human Resource Compliance Officer will interview individuals based on the specific information the witness has to contribute to the issues involved and whether such information is original or repetitive. The Human Resource Compliance Officer will review all documents provided and obtained during the investigation. In determining whether NHREC policy has been violated, the Human Resource Compliance Officer will consider all facts and circumstances surrounding the allegations, including the perceptions of the parties, witnesses and others who have information about the presence or absence of the alleged conduct, and the Human Resource Compliance Officer may make credibility determinations.

If the Human Resource Compliance Officer determines there is insufficient basis to conclude that a policy violation has occurred, this will conclude NHREC's investigation. However, the appropriate manager should address conduct that does not violate the Policy, but is considered detrimental to the well-being of the department or NHREC.

The supervisor shall be responsible for implementing the Human Resource Compliance Officer's recommendation, in consultation with the Executive Director and other offices, as appropriate, to ensure compliance with NHREC policies and/or contractual obligations. The Human Resource Compliance Officer will conduct appropriate oversight and follow up as deemed necessary. Corrective or disciplinary actions may include but are not limited to: mandatory education, oral and/or written reprimand, removal of supervisory responsibilities, demotion, transfer or reassignment, pay reduction, denial of pay raise, termination or other corrective actions as appropriate.

Copies of all reports, decisions, reprimands, and/or other resolutions by any NHREC office or officer regarding the matter addressed by or in the investigation, or corrective action or resolution, should be forwarded to the Executive Director or his designee to ensure proper follow-up.

4. Policy Against Retaliation

It is unlawful and a violation of New Horizons policy to retaliate against any faculty or staff member who has brought a good-faith complaint of discrimination or harassment or who has assisted in the

investigation of a complaint of discrimination or harassment. It is also unlawful and a violation of New Horizons policy to retaliate against any faculty or staff member for asserting a legally guaranteed right (e.g., filing workers' compensation claim), for doing what the law requires (e.g., serving on a jury), for refusing to do that which the law forbids (e.g., committing perjury), or for making a good-faith allegation of some type of illegal activity engaged in by the New Horizons. Retaliation, whether actual or threatened, destroys the sense of community and trust that is critical to a learning and work environment. New Horizons considers acts or threats of retaliation in response to such disclosures or participation to constitute a serious violation of New Horizons policy, which may result in disciplinary action, even dismissal, against the retaliator.

Retaliation occurs when an adverse employment action is taken against the person who has brought the complaint or assisted in a resulting investigation. Examples of retaliation could include, but are not limited to, the following:

- Unwarranted termination or suspension of the complainant
- Unwarranted reduction in pay, benefits, or perquisites
- Unwarranted demotion or a significant reduction in responsibilities
- Refusal to promote
- Involuntary placement on leave (except for leaves necessary to investigate possible violations of New Horizon's policies.
- Transfer to a materially different and less desirable position
- Unwarranted negative performance evaluations
- Unwarranted negative references about work performance
- Toleration of harassment by other employees

It is important to note that impermissible retaliation can occur even in those circumstances where it is determined that the complaint brought was without merit.

If you believe that you are being retaliated against because of making a complaint or assisting in an investigation in violation of this policy, you should promptly report your concerns to the Director of Human Resources, to your Administrator or Program Director.

E. WORK PLACE STANDARDS

1. Dress Code Guidelines

Dress attire should provide for a professional and safe learning environment. Dress expectations will be established and administered in each program area.

Consistent, regular attendance of all employees is critical to the smooth operation of New Horizons. You are expected to arrive for work each day on time (at the time agreed to with your supervisor) and to work until the end of the workday, except when you are ill, on vacation, or on an approved leave.

If you are frequently absent or tardy, you may be subject to discipline up to and including termination of your employment (see NNPS attendance policy regarding occurrences). If you know in advance you will be absent, you are required to notify your manager or supervisor as soon as you learn of your need to be absent. If your absence is not planned, you should telephone as soon as possible and prior to schedule work time to speak directly to your manager or supervisor. Unless you are on an approved leave of absence, it is your responsibility to call in every day.

Federal and state wage and hour laws require that New Horizons keep accurate records of hours worked for every non-exempt employee. It is prohibited to use electronic communication services for fraudulent, threatening, obscene, rude, intimidating, defamatory, harassing, discriminatory, or otherwise unlawful messages. In addition, the NHREC Computer System and Network will not be used for commercial purposes, personal gain, or political lobbying.

Restrictions against inappropriate language apply to public messages, private messages and material posted on Web pages. Authorized users will conduct themselves in a manner that is appropriate and proper as representatives of the Centers.

Authorized users will subscribe only to discussion group mail lists that are Centers' sponsored/authorized, affiliated and/or relevant to school business. Authorized users will not access material that is profane or obscene (pornography), that advocates illegal acts, or that advocates violence or discrimination towards other people (hate literature). For students, a special exception may be made for hate literature only if the purpose of such access is to conduct research and access is approved both by the teacher and the parents or legal guardian.

The Children's Internet Protection Act (CIPA) requires schools and libraries receiving E-Rate discounts for Internet access and internal connections to comply with the CIPA. NHREC has implemented an Internet Filter to block access to text and visual depictions deemed obscene, child pornography, or harmful to minors."

Internet filters are not fail-proof and therefore may not block all undesirable Web pages. Therefore, authorized users will only be allowed access to the Internet to pursue education-related activities. Teachers must keep up-to-date on Internet safety issues and provide accurate, timely information to students. Teachers will establish and post rules for safe Internet use near computers in classrooms, libraries and labs and remind students regularly that the rules are intended to ensure safety. Teachers should immediately notify an administrator, principal or Technology Department if they have identified a possible CIPA issue.

Authorized users will not post personal contact information about themselves or other people. Personal contact information includes school or work addresses, telephone numbers, etc. Students will not agree to meet with someone they have met online without the approval of their parents or legal guardians.

11. Violations and Penalties

Authorized users will be given notice of violations and given an opportunity to provide explanation for determination regarding continuing access to the NHREC Computer System and Network. Privileges

may be suspended immediately. For employees, disciplinary action may be taken. Violations of the law will be reported to law enforcement officials. NHREC will cooperate fully with local, state, and federal officials in any investigation related to illegal activities conducted using the NHREC Computer System and Network.

Disciplinary action related to student access to electronic resources may be determined at the building and/or classroom level in accordance with existing policies and procedures as stated in NHREC's Policy, Student Rights and Responsibilities policy, and/or other Centers Policies and Procedures governing student discipline. Disciplinary actions should be tailored to assist the student in gaining the self-discipline to behave appropriately on an electronic network.

POLICY DETAIL

J. WORKPLACE SAFETY

To ensure that your working environment is safe and secure, New Horizons has implemented the following policies.

1. No Smoking Policy

To promote a healthy work environment for all employees, New Horizons has designated all New Horizons facilities as non-smoking. This prohibition applies to all employees, students, and visitors. Employees must smoke off campus.

2. Drug and Alcohol Free Workplace

Drug and alcohol abuse can impair not only your judgment but also your physical coordination, both of which can increase the risk of workplace accidents and injuries. Substance abuse also has adverse results on your job performance, and therefore, hurts New Horizons as a whole. Therefore, New Horizons is committed to maintaining a drug-free workplace. As required by federal law, we prohibit the illegal use of drugs and the abuse of alcohol by our employees. The law applies to all employees, including student workers and interns.

New Horizons does not condone or permit the unlawful possession, use, consumption or sale of illegal drugs or any controlled substance by employees on New Horizons property. For purposes of this policy, a controlled substance is any illegal or prescription drug that, if abused, may lead to physical or psychological dependence. In addition, working while under the influence of a controlled substance is prohibited, unless use of the controlled substance is consistent with a physician's prescription and does not substantially impair the employee's ability to work satisfactorily or pose a risk to workplace safety.

All New Horizons employees must comply with federal and Virginia state laws as well as any relevant local statutes and regulations relating to alcohol use, sales, or service of alcohol, especially to under-age persons.

New Horizons expects all employees to conduct themselves in a responsible and lawful manner while on New Horizons property or while conducting New Horizons business off campus. Specifically, you may not operate any New Horizons-owned vehicle or equipment, while under the influence of alcohol or controlled substances. Employees, while under the direction of their doctor, using prescribed or over-the-counter medication that may impair their abilities to operate a vehicle or equipment, should notify their supervisor of their limitations.

If you plead guilty, or if you are found guilty, or if you plead "no contest" to criminal charges associated with drugs or controlled substances, you are required by federal law to notify the New Horizons Human Resources Director of that criminal matter and outcome immediately. Under federal

law, notification to the HR Director must occur within five (5) days of your conviction or plea. Notification to HR is required because New Horizons is a recipient of federal funds and must comply with the Drug-Free Schools and Workplace Act of 1988, which mandates such notification. If you fail to notify the HR Director as required by federal law, you may be subject to discipline or termination.

3. Professional Assistance with Substance Abuse

New Horizons appreciates that substance abuse is a complex and difficult problem to resolve. Should you find yourself faced with a problem of alcohol or substance abuse and you are seeking professional assistance through counseling or a more formal rehabilitation program, we encourage you to contact our Employee Assistance Program ("EAP"). Information about our EAP and how to contact a professional counselor is available from the HR Department.

At its discretion and depending on the circumstances, New Horizons may offer an employee the opportunity to participate in and successfully complete a rehabilitation program in lieu of termination of employment. Generally, however, this option may be offered when the employee admits his or her problem before he or she has engaged in inappropriate behavior or demonstrated poor job performance.

If you participate in a New Horizons health plan, you or a covered dependent may receive coverage for licensed drug and alcohol rehabilitation facilities and outpatient counseling. Please refer to your health benefits Summary Plan Description for more details.

4. Safety and Security

All members of the New Horizons community should take an active role in their own safety and security as well as the safety and security of colleagues, both on and off campus. You should not bring valuables to campus and, in the event you do, you should secure your wallets, handbags, and other items of value in your desk. You should never leave a wallet, pocketbook, briefcase, or other such items unattended and in plain view.

On campus, the New Horizons' Security Office and/or Principals/Directors coordinates security and safety measures for the New Horizons staff and students.

Employees of New Horizons should always be prepared to show their New Horizons ID badge when requested. All employees should report suspicious activity or thefts to Security immediately.

5. Work-Related Injuries

If you are injured during work or sustain an accident on New Horizons' premises or while traveling on New Horizons business, you should report the injury to your supervisor immediately, even if you think it is relatively minor. You should also notify the HR Department. Under many circumstances, Virginia State Workers' Compensation law requires payment for medical treatment resulting from on-the-job injuries. A representative from HR can assist you in completing the necessary documentation with the New Horizons' workers' compensation insurer. In order to qualify for workers' compensation, you must report any work-related injury or illness promptly.

6. Workplace Safety Committee

New Horizons Safety Committees meet quarterly to review accidents and incidents that occur at New Horizons facilities. The minutes of these meetings will include recommendations and suggestions. The committees will be located at the Woodside Lane Campus and the Butler Farm Campus.

K. WORK SCHEDULES

We offer a number of work schedules with the goal of meeting our business needs while providing you, when feasible, with the opportunity of balancing your professional and personal life. The number of hours you work may affect your benefits eligibility. Please see Section 6, Your Benefits.

Certain schools or departments, however, may have different core hours. Your administrator will provide you with information about your scheduled hours and those of your department.

1. Summer Work Hours

Each year, the Executive Director will determine when and how summer hours will be implemented. Some New Horizons offices may not observe summer hours because of their business needs. For more information about how your unit or department observes summer hours when they are in effect, talk with your supervisor.

2. Closings and Inclement Weather

In the event of inclement weather, New Horizons will follow **Newport News Public Schools** for full-day school closings. However, all Peninsula school divisions will be considered in making decisions regarding delayed openings or early release.

Center for Autism YORKTOWN MIDDLE SCHOOL CAMPUS families should **ALSO** look for inclement weather announcements posted by York County School Division. If York County School Division is closed or delayed, then New Horizons' Center for Autism at the Yorktown Middle School campus will be closed or delayed for students.

Canceling the day school programs does not necessarily cancel evening classes. A separate determination will be made concerning evening classes through the Center for Apprenticeship and Adult Education.

Governors School and **CTE** students are only required to report to New Horizons if their home school division is open; all **Special Education** students, regardless of their home school division status, should report to New Horizons as scheduled.

Prior approved leave (sick, personal, or vacation) does not pertain to closings due to inclement weather and will therefore be deducted as if the school was open (eg. An employee is on vacation and school closes for inclement weather the leave is still deducted).

M. WHEN YOU HAVE A WORK PROBLEM

During your career at New Horizons, there may be times when you disagree or encounter problems with your supervisor or work colleagues or when you feel that you have been treated unfairly. Below are some general guidelines for resolving such conflicts.

The best approach is for you to discuss the issue with the person with whom you are in conflict, if you are comfortable doing so. In many situations, problems can be resolved at this level through candid, tactful, and direct communication. If the issue involves potential discrimination or harassment, be sure to follow the procedures outlined in those policies and seek help and advice about your concern.

If you cannot resolve the problem with the person involved, discuss the problem with your supervisor. If you can't resolve the problem with your immediate supervisor, the next step is with your Administrator or Program Director. If you need additional information that she or he cannot provide, contact HR for assistance. HR will help you directly or provide guidance on the next steps you could take on your own.

If your problem remains unresolved, you may request a meeting with the Executive Director. Be prepared to provide background information on the problem or issue, to discuss your attempts to resolve it, and to propose a recommended solution.

New Horizons maintains an open door policy, reflecting our respect for each individual on our staff and our belief that everyone should have the right to discuss and even disagree with the administration. The process described above allows you to have access to the level of administration that has the authority to effect change and resolve problems. A representative from Human Resources is also available to consult at any step of this process. Also a representative of the Employee Assistance Program may be called to act as a mediator.

1. Employee Grievances

NHREC recognizes that employees should have a defined route for addressing and resolving grievances related to unresolved disputes, dismissal, or placement on disciplinary probation.

NHREC follows NNPS policies GBK, GBK-E1, GBK-P regarding grievances and the code of Virginia 22.1-79 (6), 22.1-308, 22.1-309, and 22.1-311

N. Child Abuse/Child Protection

Refer to Newport News policy JLF-P

Section 63.1-248.2 of the Code of Virginia defines an abused or neglected child as any child less than eighteen years of age whose parents or other persons responsible for the care of the child:

- Creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, impairment or bodily or mental functions;
- Neglects or refuses to provide care necessary for the child's health; provided, however, that no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination will for that reason alone be considered to be an abused or neglected child;
- Abandons such child; or
- Commits or allows to be committed any sexual act upon a child in violation of the law, or
- Fails to provide adequate supervision in relationship to the child's age and level of development

As an employee of New Horizons Regional Education Centers, you are a mandated reporter. It is critical for the safety and well-being of our students that you immediately report any suspected abuse. Failure to report suspected child abuse or neglect, within 24 hours of first suspicion, can result in a misdemeanor charge. If found guilty, the fine is up to \$500. If you suspect abuse it is important not to ask the student leading questions. For example if you observe a bruise on a student, you may ask "How did you get that bruise?" rather than "Did your dad do that to you?" You should limit your questions at this point and refer to a school psychologist, nurse, or program administrator to be present during further questioning. Report any suspicions to a program administrator as soon as possible. If there is physical evidence of abuse, the student needs to be seen by a school nurse. As mandated reporters, it is not our job to determine if actual abuse has occurred, we report to Social Services and they make that determination.

All NHREC staff receive annual training regarding mandatory reporting of child abuse.

SECTION 4: PERFORMANCE ACHIEVEMENT

Performance management is an ongoing process that starts when expectations are set; read; and performance is evaluated. It's important that you understand what New Horizons and your supervisor expect of you; how your performance will be evaluated; and your role in your performance management process.

- Understand your work responsibilities and what you are expected to accomplish in your job
 - Understand how your professional responsibilities support New Horizons' Strategic Plan
 - Participate in setting goals and objectives for you and, sometimes, your department or work team
 - Understand how your performance is appraised
 - Know what may happen if your performance does not meet your supervisor's expectations
 - Learn how you can improve your performance
 - Participate in ongoing communication and feedback about your performance
- a. **Setting Expectations:** Your job description gives you an overview of your general responsibilities. You and your supervisor set goals and objectives that are consistent with your job description. Your job description, goals and objectives form the standards against which your performance will be appraised.
 - b. **Performance Feedback:** You and your supervisor have ongoing discussions about your performance. These discussions may be formal or informal and should occur throughout the year. You are encouraged to ask your supervisor for performance feedback at any time.
 - c. **Performance Appraisal:** New Horizons has an annual formal appraisal process. You and your supervisor meet to summarize and document your performance for the year, using the New Horizons' performance appraisal form. Together you will develop goals for the next appraisal period. This is also a good time to focus on your career development.

Section: NH – 4 – Performance Achievement
Title: The Performance Appraisal Process
Number: Section 4-A
Status: Active
Legal:
Adopted: August 2009
Last Revised: October 2012

POLICY DETAIL

A. THE PERFORMANCE APPRAISAL PROCESS

Each year, the HR Office provides specific information about the New Horizons' formal performance appraisal process. This information includes timelines as well as the forms to be used.

In preparing your appraisal, your supervisor may also gather feedback from people with whom you have interacted during the appraisal period. Such persons may include internal or external customers, students, and your work colleagues. Your supervisor will write your performance appraisal on the form(s) designated by HR. The appraisal will indicate an overall performance rating.

You should read the appraisal carefully, and we encourage you to discuss several things with your supervisor, such as:

- Areas where you excel and how you can continue to build on your successes
- Areas where you disagree with your manager's assessment of your performance
- An action plan to address opportunities for improvement
- Setting goals for the upcoming year

Each employee should receive specific, objective feedback on his or her performance in a respectful manner. You should ask your supervisor if there's anything you don't understand in your appraisal. We ask that you sign your performance appraisal to indicate that you have read and understood it. If you wish, you may write a response or other comments, which will become an official part of your appraisal.

A copy of your appraisal and any comments that you may write become part of your HR file. If you so request, your self-assessment will become an official part of your appraisal and will go into your HR file.

The final step in this process is for you and your supervisor to set goals and objectives for the upcoming year.

1. Improving Your Performance

We hope that your career at New Horizons will be exciting and challenging and that you will be successful in your job. It may happen, however, that your performance falls significantly and/or consistently short of meeting your performance expectations. If that happens, our goal generally is to help you improve your performance.

In an effort to help you improve your performance, your supervisor may do a number of things, including the following:

- Meet with you to explain the problem and get your perspective
- Coach you on what you can do to improve your performance
- Counsel you and formally document these discussions
- Provide training and professional development
- Place you on a Performance Improvement Plan ("PIP")

The PIP is a tool designed to improve poor performance through realistic goal setting, progress reviews, and feedback. Your supervisor, in consultation with HR, will determine the period of time that you are on a PIP. This period of time is based upon a number of factors, including the nature and severity of your performance problem; the impact of the problem on New Horizons and others with whom you work (e.g., students, staff, faculty); and the complexity of the expectations you need to meet.

A PIP is intended to alert you to serious deficiencies in your performance; to inform you what you must do in order to improve; and to give you ample notice that if your performance does not improve, your employment with New Horizons may be terminated.

Progressive discipline before termination may also not be appropriate if your position requires you to:

- Exercise a high level of judgment and discretion regularly and reliably
- Demonstrate consistently effective management and leadership
- Participate productively in a confidential capacity as part of a management team where actions or inactions of an individual employee may seriously impair the ability of the or unit to carry out its mission or goals

The decision to follow or omit a Performance Improvement Plan rests in the discretion of your supervisor and your Administrator/Program Director, in consultation with Human Resources. You may be disciplined or discharged without the benefit of a Performance Improvement Plan or some other course of constructive development.

2. Impact of a Performance Improvement Plan on Compensation

If you are placed on a formal performance improvement plan, you will not be eligible for a pay increase unless and until you have completed the plan successfully and sustained solid performance. If the New Horizons' annual performance review cycle occurs during your performance improvement plan, your salary review will be delayed until you have successfully completed the performance improvement plan. After you have successfully completed the plan, HR in consultation with your administrator has the discretion to determine if and when you will receive the pay increase awarded to other employees on a prorated basis.

3. Managing Your Career at New Horizons

At New Horizons, you are responsible for managing your own career. Your supervisor will typically provide support, feedback, and guidance. The performance appraisal process is a great opportunity to discuss career aspirations with your supervisor. Feel free to ask support, work opportunities, or training can be provided to accomplish your career goals. Refer to Section 9 (Learning and Development) for more guidance on professional development.

B. STAFF COMPENSATION PHILOSOPHY

1. Why We Have a Staff Compensation Program

Our employees are one of the New Horizons' most important assets and are essential to New Horizons fulfilling its mission. The staff compensation program is designed to enable us to attract, retain, and motivate qualified staff. Specifically, the program goals are to:

- Provide compensation that reflects market pay rates to ensure competitiveness with our defined external markets, as resources are available
- Maintain internal equity by objectively evaluating jobs to ensure that a position's responsibilities are valued fairly relative to other jobs within the New Horizons
- Provide general guidelines for managing pay
- Ensure that each staff member is provided with information about how compensation at New Horizons is managed, and how his or her own pay is determined

2. Market-Based Pay Structure

The staff compensation program is a market-based system, meaning it has been designed to enable New Horizons to be competitive with the organizations that we compete for staff. We call such organizations the "market" for purposes of the staff compensation program and consist of school divisions and businesses on the Peninsula.

There are two key attributes of a market-based system:

- The pay band structure is built and maintained by analyzing market pay levels for jobs that are similar to New Horizons jobs. The process of comparing New Horizons jobs to similar positions in the market is called benchmarking.
- Jobs are assigned by HR to pay bands based on the content, role, and responsibilities of the job.

Generally, HR expects to update the pay structure and associated salary ranges on an annual basis, but such updates could occur more or less frequently depending on market shifts. "FLSA" stands for the Fair Labor Standards Act, which is the federal law that governs wages, hours, and other aspects of employment.

C. JOB DESCRIPTIONS

Since jobs are assigned to pay bands based on their content, role, and responsibilities, it is important that HR fully understand the job. The best way to do this is by ensuring that job descriptions are current, accurate, and complete. Job descriptions describe the essential functions of a job and are used for a number of business functions, including:

- Job Classification-to ensure jobs are assigned to the appropriate pay bands and to the appropriate FLSA status (exempt vs. non-exempt)
- Market Pricing-to assist in determining the competitive rate of pay for the job
- Internal Equity-to assist in assuring comparable pay opportunities for comparable jobs within New Horizons
- Performance Appraisals-to ensure that the employee and manager have a clear, shared understanding of the job's essential functions
- Recruiting-to help identify the most appropriately qualified candidates and to provide prospective employees with a clear understanding of the job
- Job Posting-to ensure that the job posting accurately reflects the job's essential functions
- Dispute Resolution-to assist in resolving legal and other employee relation's issues that may arise.

All job descriptions must be written in the New Horizons format

1. Job Titles

A job's title should clearly and accurately describe the job's roles and responsibilities. This enables HR to (1) benchmark accurately the job to the marketplace or to other comparable New Horizons jobs and (2) ensure that the job is assigned to the appropriate pay band.

At times, it may be necessary or desirable to use a different title, particularly if the job holder interacts with persons outside of New Horizons. Therefore, we allow the use of two titles: the official title is the title that will be in the Human Resources Information System, your job description and other internal documentation. Your functional title is the title you may use if you need to have a different title for external purposes (generally, you should not use your functional title internally).

To ensure that official titles are appropriate descriptors and to ensure consistency across the New Horizons, all official job titles should be reviewed and approved by HR before they are used.

D. MOVING TO A JOB IN THE SAME PAY BAND

You can also advance by taking a new job in the same pay band. This enables you to become more versatile and more broadly skilled, contributes to your value to New Horizons, and may eventually lead to advancement to a job in a higher job pay band.

This move is usually a lateral transfer without pay increase but may be exceptions.

This type of advancement may or may not involve assuming greater responsibilities. While a pay adjustment is not automatic, it may be appropriate to reward diversification. Administrators may recommend a pay adjustment within the band, based on your skill, knowledge, experience, and performance. The guidelines in the table below can help Administrators make such pay decisions.

E. MOVING TO A JOB IN A HIGHER PAY BAND (PROMOTION)

Advancing to a job in a higher pay band involves taking on significantly greater responsibilities. It usually warrants a pay increase to recognize these additional responsibilities and to ensure that the staff members pay is consistent with market.

F. MOVING TO A JOB IN A LOWER PAY BAND

It may at times be necessary for you to transfer to a position in a lower pay band. This most likely will occur as a result of a more appropriate fit between your skills and the skills and competencies of a different job.

In this case, your pay generally is reduced to fall within the salary range of the new job. There may be occasions, however, where you will retain your current pay, but once assigned to the lower job category, pay will be managed within the parameters of the pay band for that job.

J. PAY ADMINISTRATION

1. EMPLOYMENT CATEGORIES

a. Pay Schedule

Check with the Payroll Office to get a list of scheduled pay dates.

b. Job Evaluation

Teachers are assigned to pay scales. Jobs are assigned to pay bands based on market value. Since the basis for this decision is job content, significant changes in job content may warrant a review of the job and its market value.

The following are examples of situations that may warrant a job evaluation:

- Department reorganization
- Addition of full-time employees reporting to the job
- Addition of new area of responsibility
- Change in level of authority

Small changes in a job do not influence market value and therefore would not warrant re-evaluation (e.g., different software to handle same job responsibilities, procedural changes to existing work, responsibility for overseeing student workers). In addition, a job is generally not re-evaluated if the incumbent earns a degree or achieves another educational milestone unless this results in changes in the job, level of authority, scope of responsibility, and so forth.

Generally, requests for job evaluations should be made by the administrator to whom the position reports, and not by individual employees. If you believe that your job needs to be evaluated, you should discuss this with your manager. The HR Office may also initiate job evaluations.

c. Premium Pay, Special Circumstances

If you are to receive a shift differential, on-call pay, or pay because of other special circumstances, your manager will inform you.

K. LEGAL CONSTRAINTS ON COMPENSATION

In addition to HR and management guidelines, various federal and state laws place constraints on compensation. The law sets out certain work rules and establishes minimum wage and overtime compensation. The law also governs child labor (work by persons under the age of 18). The Internal Revenue Code governs how and when taxes are deducted from your pay. Below is a brief summary of legal regulations that are most relevant to New Horizons employees. Check with HR or the New Horizons Counsel if you have questions about these requirements.

1. Exempt/Non-exempt Status and Overtime Compensation

Federal and state laws require that overtime compensation (paid or compensated leave) must be provided for certain positions. The term "exempt" refers to positions that are exempt from these overtime compensation requirements. The term "non-exempt" refers to positions that are entitled to overtime compensation.

In accordance with legal requirements, whether your job is classified as exempt or non-exempt depends solely on your position requirements and responsibilities. It does not depend on how you are paid. It does not depend on how you (or your manager) would prefer the job to be classified. HR, guided by federal wage and hour laws and the New Horizons General Counsel, makes the final decision as to whether a position is exempt or non-exempt.

If your position is classified as non-exempt, you are entitled to receive overtime compensation for each hour you work beyond 40 hours in a work week (does not include leave or holidays taken during the week). Overtime compensation (pay or leave) is calculated based on the number of hours you are paid in a work week. The overtime compensation rate for pay or leave is 1½ for work hours beyond 40 hours per week. Prior to working beyond your normally scheduled hours, you must get approval from your manager. At New Horizons compensatory leave is used prior to compensatory pay...

In some instances, based on the needs of the department, overtime may be a condition of employment or continued employment. In other situations, your work week may be different from the typical New Horizons work week so that evening and weekend coverage can be provided without New Horizons having to incur the expense of overtime pay. Your manager will let you know the specific needs of your department and what your schedule is. If you work more than one position at the New Horizons, your manager should check with HR to determine the appropriate classification and pay.

If a New Horizons holiday or paid closed day falls on a day that you usually are not scheduled to work (e.g., your usual work schedule is Tuesday-Saturday, and there is a New Horizons holiday or paid closed day on a Monday), then upon approval by your manager, you may receive one of your usual

work days off as a substitute paid day off. You must work with your manager to determine the substitute paid day off, and it must be taken within two (2) weeks of the actual holiday (before or after). Your manager may also decide that based on the needs of the department, division, or New Horizons that you will not be able to receive a substitute day off. In that situation you will be eligible for extra compensation as described in the paragraph above.

2. Long-Term Schedule Changes (for both exempt and non-exempt staff)

The New Horizons has the right to alter your scheduled work week on a long-term or regular basis. In these instances, your manager will attempt to provide you with at least two month's advance notice prior to the effective date of the change.

3. Timekeeping

In order to plan work, manage budgets, and track time off, New Horizons requires all managers to maintain accurate records of time and attendance for their staff and to forward such records to HR. Employees in non-exempt jobs are required to maintain daily time records and the monthly time sheet is to be submitted by the first Friday of the following month. Employees in exempt jobs should record time away from work (e.g., vacation and sick time) as time is taken using a leave form.

4. Adjusted Leave for Exempt Employees

Exempt employees by federal law do not earn compensatory time but with supervisor approval may adjust their work schedule within a one month period to accommodate excessive work hours. Adjusted leave will be noted on the leave form and reason for such noted in the comments section, unless a designated schedule is provided for an entire class of employee (i.e. teachers given part of a planning day off for attending Open House)

B. MEDICAL PLAN

1. Plan Overview

New Horizons offers Optima Health PPO (Preferred Provider Organization), HMO (Health Maintenance Organization), and HSA (Health Savings Account) plans.

2. Enrolling in the Plan

You must enroll in the medical plan within 30 days of your start date and select either individual, individual plus one (child or spouse), or family membership. If you enroll within this period, your coverage will begin on the first day of the month coinciding with, or immediately following, your start date. There is no waiting period once coverage is effective. If you do not enroll within the 30-day period, you may have to wait until the next open enrollment date (August 1) to enroll, unless a "qualifying event" occurs. (See Changing Coverage for details.)

3. Changing Your Coverage

Once enrolled in the medical plan you may only make changes during Open Enrollment, unless a "qualifying event" occurs. A "qualifying event" is a significant change in circumstances that may allow you to change your medical plan coverage outside of the open enrollment period. The Internal Revenue Service ("IRS") has defined qualifying events to include the following:

- A spouse's loss of medical coverage due to termination of employment or reduction of hours
- Loss of medical coverage due to divorce or legal separation
- The birth or adoption of a child
- Death of covered employee
- A dependent child's ceasing to be a dependent child
- Marriage

If you want to change your medical plan because one or more of the events described above has occurred, you must contact the Benefits Specialist. You are required to make the change within 30 days of the event.

You may also continue medical coverage between 18 to 36 months under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). You must notify the Office of Human Resources within 30 days of the qualifying event.

4. Medical Plan Premiums

You and New Horizons share the cost of medical plan premiums. The New Horizons' contribution is determined by whether you work for New Horizons on a full-time or part-time basis. A current schedule of costs and contribution rates is available from the Benefits Specialist. Your contributions to both the medical and dental plans are made on a pre-tax basis and are not subject to federal, state, and FICA taxes.

5. Coverage If You Leave New Horizons

If you leave New Horizons, your medical coverage continues through the last day of the month in which your termination occurs. Deductions for the remainder of the month will be taken from your last paycheck. See Section 10-Leaving the New Horizons for additional details, particularly continuing your medical coverage pursuant to COBRA.

C. DENTAL PLAN

New Horizons offers the United Concordia Dental plan. If you are a full-time employee, the cost of dental coverage is at no cost for employee only. If you have dependent coverage, you and New Horizons share the cost. A current schedule of costs and contribution rates is available from the Benefits Specialist of Payroll and Benefits.

The plan provides benefits under four categories of dental services: (I) diagnostic and preventive services; (II) restorative and other basic services; and (III) major restorative services. Orthodontia benefits are not provided with this plan.

You must enroll in the dental plan within 30 days of your start date and select either individual or family membership. If you enroll within this period, your coverage will begin on the first day of the month coinciding with, or immediately following, your start date. There is no waiting period once coverage is effective. If you do not enroll within the 30-day period, you may have to wait until the next open enrollment to do so, unless a "qualifying event" occurs. (see below for more details).

2. Changing Coverage

Once enrolled in the dental plan, you may make changes or terminate coverage only on the open enrollment date unless a "qualifying event" occurs. See Changing Coverage in the previous section describing the Medical Plan for a list of qualifying events.

D. FLEXIBLE SPENDING ACCOUNTS

1. Plan Overview

A Flexible Spending Account ("FSA") allows you to pay for certain eligible, IRS-approved health care and dependent care expenses that are not covered by medical and dental plans. The expenses may be for you or for your dependents and are paid with your pre-tax dollars. Your contributions to an FSA are deducted from your pay before Social Security, federal, and state taxes are calculated. You will be reimbursed for certain eligible expenses through the FSA up to the maximum amount you have contributed. You cannot participate in FSA if you have a HSA Insurance Plan.

New Horizons offers two types of Flexible Spending Accounts to full-time and eligible part-time employees:

- **Medical Account:** You may contribute up to \$3,000, subject to change annually per IRS ruling, each plan year into the Medical Account. Expenses that may be reimbursed through the Medical Account are defined by the IRS and include deductibles, co-payments required by the medical and/or dental plan, eyeglasses, hearing aids, and prescription drugs.
- **Dependent Care Account:** -You may contribute up to \$5,000 each plan year into the Dependent Care Account. Reimbursable dependent care expenses must be related to the care of dependent children up to age 13 and/or disabled children up to any age (if they are incapable of self-care). Reimbursable expenses are those that enable you (or your spouse, if you are married) to work. If your spouse is a full-time student or disabled, dependent care expenses may also be reimbursed.

You may elect to participate in either or both accounts. Please plan carefully when choosing a contribution amount, since any unused contribution will not be returned to you (in accordance with the IRS) and you may not change your contribution amount (unless a "qualifying event" occurs). The Plan Year is October 1 to September 30. Accounts stay open for ninety days to allow you to submit expenses incurred up to September 30. After September 30, by law you must forfeit any unused funds remaining in the accounts.

You should submit claims for eligible expenses to the Flexible Benefits Administrators, our third-party administrator. Reimbursements will be paid to you by check or direct deposit. Deductions may not be changed or stopped during the year unless there is a change in family status.

Participants terminating employment during the plan year will be reimbursed for expenses incurred up to the date of their termination. Expenses incurred after termination of employment are not eligible unless COBRA is elected.

Contact the Payroll Specialist for more detailed information about Flexible Spending Accounts.

E. LIFE INSURANCE

Life Insurance: Eligible employees are automatically enrolled in life insurance through the Virginia Retirement System (VRS). NHREC pays the total premium for group life insurance for these employees. The plan provides group term insurance protection to your designated beneficiary(ies) in the event of your death while covered by the Plan. Coverage is determined by rounding your annual salary up to the next \$1,000 then doubling it. (i.e. a salary of \$10,100 would be rounded to \$11,000 and doubled for coverage of \$22,000).

When you retire, your basic group life insurance coverage continues at no cost to you.

Unreduced Retirement Plan 1 - Normal retirement age under the VRS Plan 1 is age 65. You become eligible for an unreduced retirement benefit at age 65 with at least five years of service credit or at age 50 with at least 30 years of service credit.

Unreduced Retirement Plan 2 - You become eligible for an unreduced retirement benefit when you reach your normal Social Security retirement age and have at least five years of service credit or when your age and service credit equal 90.

In both cases you must have at least five continuous years as an employee, within the state system, immediately prior to termination of service. After retirement, the amount of your insurance reduces by 25 percent annually starting January 1 of your first full year following retirement, until your coverage reaches 25 percent of its retirement value.

1. Optional Life Insurance:

All full time employees covered by Virginia Retirement System are eligible to purchase Optional Life Insurance. The rates are based on your age and salary. If you are interested, please contact the Benefits Office for additional information.

2. Income Protection (Short Term Disability):

Unum is the Income Protection carrier for NHREC. Unum's plan provides insurance against absence from employment due to accidental injury or illness. You may purchase a monthly benefit in \$100 units, starting at a minimum of \$200 up to 66 2/3% of your monthly earnings rounded to the nearest \$100, but not to exceed a monthly maximum benefit of \$7,500. You may choose from three elimination period options which must be satisfied before you are eligible to receive benefits. (i.e. elimination period 0/3 means 0 waiting days for injury and 3 waiting days for illness.) Benefits are payable for up

to 24 months for any one accident or for any one sickness. Benefits are in addition to the employee's sick leave. Any employee can purchase this coverage.

F. WORKER' S COMPENSATION

When an employee reports a workers' compensation injury to his/her supervisor, the supervisor must complete, or arrange completion of the **Employer's Accident Report**. The Workers' Compensation Clerk in HR should immediately be contacted so efforts can be coordinated.

Upon completion, the Workers' Compensation Clerk will call in the report to the carrier OR submit it online within 24 hours of the actual occurrence. A claim # will be assigned to the case once all information is provided.

If the injury or illness is acute, the employee should be sent to the nearest hospital emergency department without delay. The "Employer's Accident Report" should be faxed to the emergency department within 24 hours after you've obtained a claim #.

If the employee seeks non-emergency care, they must choose a medical facility from the approved medical provider list. Before they are seen, fax the "Employer's Accident Report" to the medical facility that the employee has chosen, making sure the claim number is indicated at the top.

Provide the employee with a copy of the completed packet including claim # when they return to work. **This claim # should be provided to the employee for future reference and pharmacy transactions.**

If the claim was called in by the employee's supervisor, the "Employer's Accident Report" should immediately be faxed to the Workers' Compensation Clerk (766-9402). The **original report (and any other medical documentation provided by the physician)** should be sent via pony mail to the Worker's Compensation Clerk at the Butler Farm campus.

If further treatment is recommended after the initial visit to the attending physician, **the employee or medical facility** must obtain approval from the workers' compensation carrier. The Worker's Compensation Clerk will do any follow-up.

If a physician or medical facility should direct-bill an employee for a compensable injury, or if reimbursement is owed the employee for purchasing medication prescribed by the physician, please forward the invoice(s) to the Worker's Compensation Clerk for handling.

1. Light Duty Policy (Under Review – August 2014)

Any employee suffering from an injury or illness compensable under the Virginia Workers' Compensation Act shall immediately report to their supervisor when they report to work. Upon notice of any work restrictions by his/her treating physician, the supervisor may place the employee in a light

duty position on an individual basis. Instructional personnel on restrictions may not work in the classroom if involved in the special education program. The Worker's Compensation Clerk will also inform the Worker' Compensation provider of the employee's status.

If an employee is still on light duty at the end of six weeks, the employee must be re-evaluated by their workers' compensation treating physician before being allowed to continue light duty or return to full duty. An employee who is unable to return to his/her position after re-evaluation may be subject to a position change, conditional leave without pay, disability retirement, short/long term disability or separation. The Worker's Compensation Clerk will notify Benefits Specialist of the light duty schedule once it has been arranged.

- 10 and 11 month employees are not paid for holidays, however; school closings due to inclement weather are paid for.
- If a holiday/closed day falls on one of your regularly scheduled workdays, you will be paid in the amount that you would have received if you had worked a regular day. For example, if you were scheduled to work 5 hours, you would receive 5 hours pay.
- If a holiday/closed day falls on one of the days you are not scheduled to work, you will not be paid. For example, if a holiday falls on a Monday, and your regularly scheduled work days are Tuesday, Wednesday, and Thursday, you will not receive pay for that holiday/closed day.

Employees moving from a FT status to a PT status will be able to carry over their sick leave balance.

Sick leave will be awarded twice a year (July and February) in a lump sum and will NO LONGER be accrued on a monthly basis. This is an excellent benefit for new employees or staff short on sick leave.

Supervisors may be required to request all employees to provide written documentation, including a doctor's certificate, regarding absences as long as it does not violate employee privacy act. The Human Resources Office may receive additional information as required and protect the privacy of the employees.

The Human Resources Department must be informed of any illness that is longer than three (3) consecutive days in length. Employees will thereafter comply with the directions of Human Resources personnel if a determination is made that further documentation of absence is necessary. New Horizons has set up a procedure to ensure that proper notification is made to Human Resources.

PROCEDURES

- Employees will receive half of their annual sick leave in July and the remaining half in February, at the beginning of the month.
- Employees will not be allowed to carry a negative sick leave balance.
- Employees taking sick leave when there is zero balance will have their pay reduced accordingly.
- Employees will still be allowed to use three sick leave days a year for personal leave. Employees with a balance of forty or more sick days at the beginning of the contract year will still be eligible to use four days of sick leave, as personal leave.

L. ACTIVE DUTY (Refer to NN Policy GCCAD-P)

An employee who is a member of the organized reserve forces of any of the armed services of the United States, National Guard or naval militia will be entitled to leaves of absence from their respective duties, without loss of seniority, accrued leave or efficiency rating, on all days during which they are engaged in active duty for training or when called forth by the Governor pursuant to the provisions of Virginia Code 44-93. This applies to all periods of active military service, whether voluntary or involuntary.

In all cases, the NHREC will not discriminate in employment against or take an adverse employment action against any person because such person has membership in a uniformed service, has made application for membership, has performed actual service, or applied for such service or obligation.

This procedure implements provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (Public Law 103-353) and applicable provisions of the State's "Military and Emergency Laws" (Virginia Code 44-1, et seq.). In cases of conflict between these laws and this procedure, the Federal and State statutory and regulatory provisions will govern. Further, this procedure incorporates provisions of the State law governing the Virginia Retirement System (VRS).

Paid Leave

Paid leaves of absence for the purpose of annual active duty training or active military service as a result of a national crisis shall not exceed fifteen (15) work days per federal fiscal year (October 1 – September 30). After the exhaustion of paid military leave, employees ordered to active duty service shall be placed on unpaid military leave, unless they elect to use vacation leave, if applicable. Personnel are to submit application for this leave in writing, including copy of military orders, at the earliest possible date, but in no case less than two (2) weeks prior to the expected commencement of leave except in cases where orders (either written or verbal) are issued on shorter notice.

There will be occasions when the New Horizons must terminate an employee's employment. Below is important information to know if your employment is terminated involuntarily.

Unemployment Compensation: If you have not been terminated for gross misconduct (as defined by the Virginia Employment Commission), and you meet other eligibility requirements set by the DUA, you may be eligible to receive unemployment compensation. Eligibility for such compensation is determined by the VEC and not by New Horizons. New Horizons cannot make any representations to you that you will be eligible to receive unemployment compensation. If and when your employment is terminated, HR will inform you how to contact the VC to file a claim for unemployment benefits.

Please note: Unemployment compensation is typically not available to persons who voluntarily resign from their employment without sufficient cause. What constitutes "sufficient cause" is determined by the VEC. New Horizons will contest VEC payments to you if you voluntarily resign from your position.

If reemployed by NHREC within 30 days of involuntary termination due to reduction in force etc. the employee will retain their NHREC seniority from previous employment.

I. YOUR BENEFITS

1. Continuation of Health Benefits

Please note: Your rights under the federal law known as COBRA take effect under a variety of circumstances. The information below pertains exclusively to your COBRA rights upon the termination of your employment at New Horizons.

The Consolidation Omnibus Budget Reconciliation Act (commonly known as ("COBRA")) permits you and your covered dependents the opportunity to continue your group health insurance coverage when it would otherwise end because your employment was terminated, unless your termination is the result of gross misconduct, your work hours were reduced to less than 1,000 per year which make you ineligible for New Horizons-provided coverage

For the purpose of COBRA, these circumstances are known as qualifying events. In the case of one of these events, you and/or your covered dependents will be eligible to continue health insurance coverage by acting within 60 days from the date of the COBRA notification. Generally, except during open enrollment periods, you cannot change the type of membership you have; you may simply continue the health insurance you had prior to the qualifying event.

If your coverage ends because your employment was terminated or work hours reduced, you may choose to continue your health care coverage for up to 18 months. If you or one of your covered dependents are disabled, you or the dependent(s) may be able to extend this period up to 29 months if the U.S. Social Security Administration determines that you or the covered dependent(s) were disabled within the first 60 days of continuation of coverage.

Coverage will end before the periods stated if:

- You fail to pay New Horizons any required premium on a timely basis. In such a case, will terminate at the end of the period for which you were paid.
- You or a covered dependent become employed and are eligible for benefits under another plan, unless the new plan limits or excludes coverage for a pre-existing condition.

Reimbursement of multiple classes will also be paid on an “as received” basis in the Finance Office. **Employees must commit to at least one additional semester after being reimbursed for tuition; otherwise, the money must be paid back to NHREC.**

The cost of the class must be provided at the time of initial request (see form) in order to encumber funds.

The required paper work and proper documentation for processing the request must be received in the Finance Office no later than June 1 of each fiscal year.

The following ***must** be attached to the tuition assistance form when turned into the Finance Office up completion of the class:

- A copy of your personal cancelled check (front and back) OR
- A copy of your bank statement showing the check clearing your bank account OR
- A copy of your credit card statement showing the payment (personal information on your bank statement or credit card statement should be blacked out, leaving your name and the name of the financial institution) AND
- An official transcript of your final grade on the letterhead of the educational institution.

All employees are required to submit proof that they passed a class with a “C” or above to receive reimbursement.

Payments will be made within four weeks after the Finance Office receives completed documentation. Failure to provide necessary documentation and/or not following the proper guidelines will delay the processing of your request.

Please do not ask for exceptions to the guidelines.

If the class is for initial licensure, it is the responsibility of the person making the request for reimbursement to provide a copy of the Department of Education letter and a list of requirements to be completed to the Finance Office **and** the Human Resources Department.
